

"When you take a flower in your hand and really look at it, it's your world for the moment. I want to give that world to someone else... Nobody really sees a flower - really - it is so small - we haven't time - and to see takes time... So I said to myself - I'll paint what I see - what the flower is to me but I'll paint it big and they will be surprised into taking time to look at it." (Georgia O'Keefe)
